PlanetCon 2018

- | | |
|---|---|
| • Polystyrene recycling | Sometimes called "Styrofoam®" Check event website for complete list of accepted items |
| • Tire recycling | Bring up to 6 standard car tires, (no businesses) |
| • Plastic bag & film recycling | Only stretchy plastic you can push your thumb through |
| • Community swap | Bring school/art/office supplies plus clean school clothes in good condition, (i.e., zippers must work, etc.) |
| • Household battery recycling | Chargeable, non-rechargeable, AAA - D, 9v & button cells |
| • Electronics & small appliance recycling | Includes computers and components, cell phones, etc. |

Learn about "Shake & Fold" and the "Bring Your Own Cup campaign," plus pop-up repair events," waste reduction, local green efforts, recycling, composting & worm bins. Enjoy crafts, food, music and much more! See the website for everything offered & accepted.

This FREE event is brought to you by the
Westside Master Recyclers
with the support of Washington County Solid Waste &
Recycling and St. Alexander Catholic Church
