Facebook page:  
PlanetCon 2019

### Bring for recycling:

- String lights
- Household batteries
- Electronics / Small appliances
- Plastic bags and film (stretchy)
- Polystyrene (Styrofoam<sup>®</sup>, #6 plastics)
- Plastic caps, lids and containers labeled 2, 4, 5 and 6

### Get ready for PlanetCon:

- See event website for full details
- Remove paper and metal from all plastics, including labels
- Make sure items are clean and dry

Be prepared to take back items not accepted at PlanetCon

### More than just recycling!

- Holiday décor swap
- Repair event. Sign up at [RepairFair.org](http://RepairFair.org)
- Winter coat donation
- Information on reducing waste and other sustainable practices

FREE community event brought to you by the  
**Westside Master Recyclers**

With support from  
Washington County  
Solid Waste & Recycling  
and the  
Hillsboro School District
