EMPOWERED TO CONNECT CONFERENCE

Would you like to gain tools in order to better connect with your child?

Are you a teacher or other professional who works with children?

Do you work with adoptive or foster children?

If you belong to any of these groups, you will benefit from the Empowered to Connect Conference. Hear from renowned speakers in the field of childhood trauma and attachment.

Trust-Based Relational Intervention (TBRI), has resulted in real change and healing in the lives of parents and children who have utilized its principles.

Come experience practical teaching in a safe and supportive community as we work to equip families, churches, and professionals to better serve children impacted by adoption, foster care, and trauma.
