

PARENTING IN THE DIGITAL AGE:

KEEPING KIDS SAFE ONLINE

**Community
info session
for parents
and guardians**

**Wed, July 14
7-8 pm**

- **Do you know what warning signs to look for these days with our kids online on many devices?**
- **Are you concerned about how your kids are interacting in the virtual world?**

In this interactive virtual session you will learn tips to help keep your kids safe online. Topics include setting boundaries, identifying potential problems, and engaging in positive conversations with your kids.

Presenter: Kody J.L. Harris, Community Education and Outreach Specialist, Washington County Sheriff's Office
